White-throated Needletail
White-throated Nightjar
Willie Wagtail

If you get photos of birds or other wildlife in the MRBBGardens, the Friends would love you to post them on our Facebook group, Maroochy BG Friends. You are very welcome to join this Facebook group and post as often as you like.

The Wildlife Protection Society (Sunshine Coast) have their FaunaWatch survey walks on the second Wednesday of each month (but not December or January). They meet in the gardens carpark at 7am, and welcome extra walkers/spotters to join in their very interesting walks through the gardens, spotting and recording birds and other wildlife of all sorts. Contact Jill Chamberlain (email: wildlifercaloundra@bigpond.com) for more details.
